

A Field Trip to the Intercontinental Resort

With the focus on real-time hospitality practices, on June 21st DTU organized a field trip to the Danang Intercontinental Resort for lecturers in the Tourism and Hospitality Faculty. The trip was part of a DTU business collaboration program to improve the quality of education and training for the future workers.

Under the guidance of Mr. Duong Van Dung, Restaurant Manager at the Intercontinental Resort, the DTU faculty visited the French restaurant, learnt about kitchen operating procedures and watched the chefs at work. During a meeting with hotel representatives, the DTU delegation received useful information about personnel policies, customer service and development strategies. With this type of hands-on information, lecturers will be able to enhance future lesson planning activities.
