

A Second Chance to Study for a Bachelor Degree at DTU

The DTU second degree program has proven of great value to student with at least one previous university degree. The program provides an opportunity for someone who hasn't found a job yet, someone who wants to find another challenge in a difference fields or someone who wants to improve and broaden their skills.

Since 2003, DTU has offered four second degree programs. In 2009, DTU admitted 800 students in majors of General Business Administration, Marketing Business Administration, Hospitality Management and Finance, Banking, Accounting and Auditing. In addition candidates already have a degree, third year students can also apply for this program. This is great opportunity for students to achieve a double major on graduation.

With start-of-the-art facilities and highly experienced lecturers, DTU students enjoy the ideal path to success and are provided with practical knowledge for their future career. The second degree program is scheduled four evenings a week so that participants can arrange to work and study at the same time. With the credit based system, students can choose their own subjects to study. After about one and a half to two years of studying, they will obtain a full degree.

The motto of DTU is top quality, the student career and career goal. So far, the second degree program has been very successful and attracted many good students.
