New student activities

With loud cheers and shouts of encouragement from their teammates, students of K21, K20, K19, K18 played a game called “The Bees Look For a Letter”, in keeping with the motto “Broaden Your Knowledge for a Brighter Future”. The “Miraculous Slippers” game required members of each team to coordinate themselves by jumping on two moving boards and reaching the finish line as quickly as they could. The most exciting games were “Sack Racing” and “Qi Gong”, where competitors had to blow up a huge ball which was 80cm in diameter.
