

Blood Donation Campaign at Duy Tan University

In the morning of June 19th, 2008, a blood donation campaign was organized at Duy Tan University by The Youth Union, Duy Tan University. A great number of students came forward to donate blood.

The aim of the campaign is to create awareness about the constant need of blood donors and to facilitate blood donation amongst students at the University.

This campaign encourages students to donate blood annually and aims to collect as many blood units as possible. As a result, 290 blood units were collected.
