Mr. Huynh Anh Tuan said: *“For the past 18 years, DTU has steadily developed both educational facilities and teaching quality. DTU’s prestige and brand name have been affirmed. Most importantly, the percentage of DTU students getting job offers on graduation is relatively high, over 85%. This is an ideal destination for students to look for a brighter future”*. On behalf of DTU Board of Provosts, Associate Professor Le Duc Toan thanked the delegation leader and encouraged all students to study hard.

After the meeting, the delegation took a sightseeing tour around DTU campuses, where they saw for themselves the modern classrooms and the most advanced equipment for study and research. Pham Huynh Quang Nhat, from the North Quang Nam High School for gifted students said: *“This is the first time I have had chance to visit a modern university with such spacious facilities and advanced study equipment. It really is a good environment for study and research”*.

Currently, Teacher of Excellence, Mr. Le Cong Co, President of the DTU Management Board and Provosts, is the Head of the Former Teachers and Students Association of Tran Quy Cap High School.
