During 2015-2020, the Party Committee exceeded its objectives by coming up with ways to improve Party branch leadership skills, to dispel conflict and take on a pioneering role. In this way, the Party branch helped DTU become one of the best universities in Vietnam, with international recognition.

Based on the achievements of 2015-2020, the DTU party committee set strategic goals for 2020-2025. The DTU Party branch will continue to improve leadership skills to tackle the new tasks, enhance management efficiency and pioneer the drafting of strict regulations to improve DTU's status.

In order to accomplish this, three to five Professorships and Associate Professorships will be conferred annually; at least 3% of the lecturers will successfully defend their PhD theses, with twenty to twenty-five staff graduating; 40-50% of party members will conduct research; 80% to 100% of lecturers will meet the required English language standards; 100% of lecturers will establish long-term relationships with local companies; 100% of party members will follow the words of Ho Chi Minh, especially in building the Duy Tan culture, the Trade Union and Youth Union. The DTU Student Union will make sustained efforts to be recognized as "An Excellent Unit" for each of the 5 consecutive years.

Based on the saying: "Actions speak louder than words", the DTU Party Committee will play a leading, pioneering role in ensuring that all party members and lecturers achieve their individual goals, in building a strong Duy Tan Education Group, helping DTU to enter the list of the top 400 Asian universities and the world's top 1,000, aided by several newly-accredited ABET programs.

The Congress elects a 15-member Party Committee for the 2020-2025 term
