After playing games, the students enjoyed a communal lunch together. Phan Nhat Quang of K19 XDD said: “*This offline meeting is really useful and informative for freshmen. I have had the chance to learn more about the DTU Forum and make new friends, which will help me in my studies at DTU.*” Ta Thi Bich Thuy of K19 KKT4 said:” *New students come from different provinces and haven’t had time to make new friends yet, we still find everything quite intimidating. However, events of this type help us boost our confidence and energy levels, providing a good opportunity for me to improve my communication skills.*”

The offline meeting ended with lots of fun and good feelings about student life at DTU.
