

## DTU Opens the Faculty of Law

On November 17th, DTU opened the Faculty of Law and began teaching the first K23 course in Economic Law. Dr. Nguyen Thi Thuan, Dean of the DTU Faculty of Law, said that the faculty evolved from the School of Law.

Students will learn in-depth knowledge of legal matters and familiarize themselves with the requisite specialized legal terminology and jargon, to prepare themselves for their careers after graduation. In addition, the training program, including assisting local businesses and visits to tribunal sessions, will broaden their professional ability.
