

DTU Students Meet with Alumni and Business People

On May 23rd, DTU students of Business Administration met with DTU alumni and businessmen, so that students could learn more about starting up a business and the types of experience and skills required to launch a successful career.

Business and alumni met with DTU students

At the meeting, Business and alumni shared with DTU students of Business Administration valuable experience in finding a suitable job, how to make an impressive CV and won the heart of employers and so on. *“If you want to get a good job, first of all, you should study hard. Besides, you should actively join in social activities, take a part-time job to gain more practical knowledge and improve communication skills.”*, said Mr. Bui Duc Tuan, DTU alumni and Director of Danang Luu Niem company.

Tran Van Phuoc asks questions at the event

Tran Van Phuoc said: *“Presently, I am planning to do a business and today’s meeting is a great opportunity for me to learn about marketing. Through the meeting we are able to know about job demand, have motivation for study and gain a sound understanding of what our future career will actually be like.”*

With the knowledge, skills and experience gaining at the university, DTU students feel more confident to look forward to a bright future.
