Mr. Nguyen Hung Anh, Vice General Manager of Sandy Beach, shared some of his experiences as a manager and some of their human resource management policies. He also answered questions on strategies to expand the resort.

Ms. Hoang Thi Lien answered questions on internship and job opportunities. She said: “We have offered internships to many DTU students, who work very hard to complete their job assignments. Five of those students were recently offered full-time positions at our resort. DTU students are always welcome at the Sandy Beach Resort”.

Mr. Hoang Ngoc Lam (K15-PSU-QTH) said: “It is good for us to participate in this field trip. It is an opportunity for us to see a real working environment and to meet and exchange ideas with the staff of Sandy Beach. This is an innovative way of expanding our DTU curriculum”.

The DTU’s motto is: “We do everything to improve the rights of our students and their opportunities for future careers”. DTU has steadily updated teaching its methods and expanded partnerships with local companies to assist students.
