

DTU Women Staff & Lecturer's Outing on March 8

On International Women's Day, the DTU Labor Union and the Duy Tan Travel company organized a relaxing sightseeing and teambuilding trip to the Alba Thanh Tan Hot Springs, where DTU women staff, lecturers and employees spent an enjoyable day.

The event recognized the beautiful traditional values of Vietnamese women and demonstrated the respect that the DTU Board of Provost and the University union have for them all and for their sacrifices in contributing to the ongoing development of the university.

The event began with teambuilding exercises and other interesting activities. After that the participants went sightseeing and played games, such as zipline, tube-sliding, and then they bathed in the springs. Finally, they were able to shop for presents and souvenirs before returning home. The outing was brief but unforgettable, enabling the participants to rest, relax and make new friends.
