

## DTU Workshop entitled “How To Improve Your TOEIC Score”

On 26<sup>th</sup> January, 2011, the DTU English Board held a workshop entitled “How To Improve Your TOEIC Score”, with the objective of improving the English speaking abilities of everyone at DTU.

*DTU lecturers share their experiences with the staff*

During the workshop, many ideas about English teaching methods and studying for the TOEIC test were presented by lecturers from the Foreign Language Faculty. Most of them agreed that students must have a strict work plan and schedule if they want to score well on the test.

*“Having a notebook in your pocket to record new grammar and vocabulary pointers is essential to improve your English”* said Ms. Nguyen Thi Hong Nhan.

This was an opportunity for everyone to share their experiences in studying TOEIC programs in order to improve their English.
