

Duy Tan University – 20 Years of Socializing Higher Education

On November 11th, Duy Tan University solemnly celebrated its 20th anniversary at Trung Vuong Theater in Danang.

Distinguished Teacher Le Cong Co receives an Emulation Banner from the MOET

Founded in 1994 as one of the four first private universities in the country, Duy Tan University becomes the biggest private university in Central Vietnam. Its development shows in many ways:

- The university has seven campuses with total area over 35 ha; the total built area is 58,214 m². Its auditoria are spacious and well-equipped to serve educational and research needs of lecturers and students.
- The university has developed a lecturing team which grew very quickly in both number and quality; with 925 faculty members and staff, of whom 14.35% are Professors or Associate Professors, 72% hold Master's degrees and most of the others are pursuing postgraduate studies. Besides, the university receives over 200 visiting lecturers from national and international prestigious universities.

Prof. Tran Cong Phong, President of the Vietnamese Education Union, awards Certificates of Merit of the MOET to five DTU collectives for their outstanding achievements

DTU enrolled its first Doctoral course in 2014; it has 11 Master courses with over 1200 students; and 20 undergraduate courses with over 62,000 students. 89% of DTU students find employment six months after graduation, and in particular 100% of Software Engineering students do so on graduation.

Speaking at the ceremony, the Danang City People's Committee leader praised sustained efforts made by all DTU faculty and staff for the development of the university, with so many noble awards from ministries, the central government, and the Danang People's Committee. Hopefully, with the results already achieved in education, DTU will continue to develop in the near future.

DTU received an Emulation Banner, and five collectives and nine individuals were awarded Certificates of Merit by the MOET and the Vietnamese Education Union. The university was also presented with Certificates of Merit from the Danang People's Committee, and Quang Binh and Quang Nam provinces, along with many other honorable awards.
