

Halloween at DTU

On October 31st, a Halloween festival was organized by DTU Foreign Language Department to thrill their audience.

Halloween Ghosts

Several zombies and vampires creeping through cold gravestones created a fear of dread. The room suddenly resounded with terrible screams and the stage was full of ghosts and bloody mummies, which made audience tremble and feel like they were watching a horror film.

The Halloween festival attracted a large audience

After some frightening performances by the ghosts, the young audience was enlightened with funny skits and exotic hip-hop dancing.

Le Thi Thu Thao, a student of K18NCD1 said: *"We hope that we can provide some interesting entertainment. My friends and I have prepared masks, costumes and props to disguise ourselves as various ghosts, zombies and mummies. We really want to create a strong impression at Halloween"*. Bui Ho Diep Phuc, a student of K19NAD2 offered his opinion and was participating in the festival for the first time. He said: *"I'm really impressed! My classmates started preparing for this one month ago, which has brought our class much closer together. This is a joyful and memorable evening."*

Halloween was a colorful and lively way for students to confidently exhibit their unique personalities and skills on stage.
