Harvey Nash Group is one of the world's leading executive search, professional recruitment and outsourcing companies, a trusted advisor to over half of the world's leading businesses, governments and institutions. Its headquarters are located in the United Kingdom with over seven thousand staff in forty-three offices around the world. Sixteen hundred of these are software engineers working in Ho Chi Minh city and Ha Noi. After providing career advice to DTU students through the Fresher program, representatives of Harvey Nash answered questions from students. The exchange meeting became more interesting and relaxing thanks to several game shows, a quiz and awards to those with the best responses.
