

IT Knowledge Contest

The IT Knowledge Contest was one of the activities in Informatics Festival 2009 which was held by DTU on 12th August 2009 with the participation of 40 students from Van Lang University (VLU) and DTU.

The participants took part in 2 types of the contest: multiple choices and essay relating to the knowledge of Information Technology such as: Java, Information System, Software Engineering, Network System...

This contest was a chance for students of VLU and DTU to meet, exchange and improve their IT knowledge. The result of this contest would be announced in the ending of Informatics Festival 2009 on 13th August 2009.
