A short play “The Power of Friendship” delivered a strong message to the youngsters by demonstrating the importance of honesty, loyalty, bravery and cooperation. By watching the three main characters: LuLu, Xu ri and Mimi fighting a wolf, the children understood the differences between the forces of good and evil in their lives.

The highlight of the evening was the performance of lion dancing, which ended the festival. The event was an excellent opportunity for DTU's children to meet and make friends and to enhance their appreciation of the DTU family activities.
