The Hyatt Regency Danang Resort and Spa, owned by Indochina Capital Vietnam, is an exclusive beachfront resort and residential complex. After several years, both parties came to an agreement to partner with each other in the fields of recruitment, facilities and internships.

Mr. Huynh Ngoc Hao, DTU Vice-Rector expressed his thanks to Mr. Anthony Gain, General Director of Hyatt Regency Danang Resort and Spa. He said: *“Hopefully, this initial agreement will open the door for a long-term relationship”*.

The agreement will bring more job opportunities for DTU students, especially those studying in the DTU Tourism & Hospitality Department.

In addition, another agreement was signed between DTU and Central Florida University by Dr. Le Nguyen Bao, DTU Vice-Rector, during his business trip to the USA. This good news promises to provide more scope for DTU students to achieve their personal goals.
