

## **Scientific Technology Publishing Holds Meeting with DTU**

On June 23<sup>rd</sup> 2009, the Management Board and the Head of the Library at DTU had a meeting with Mr. Pham Van Dien, Director of Scientific Technology Publications.

At the meeting, both parties discussed joint programs that DTU and the publisher could cooperate to introduce new books to readers at DTU. In addition, the publisher will support DTU in publishing some curricula and e-books, as well as providing the DTU library with materials.

Scientific Technology Publications has been the leading publisher of scientific technology books in Vietnam for over fifty years.
