The “Huong Sen” dancing group of class K15QNH2 opened Talent Night. With well prepared music, costumes and dancing, their moving performance portrayed the beautiful flower which is dear to Vietnamese people. Then, in contrast to the Huong Sen’s soothing melody, the “SexKing” dancers of class K15QTC1 livened the evening up and received a big ovation from the audience, followed by solo and trio acts, a short play and a fashion show. Talent Night is an annual event and regularly attracts new, undiscovered singers and dancers.
