The 2012 Job Fair attracts thousands of students seeking jobs

The Job Fair is one of DTU's traditional annual events held in June in order to connect students and companies. Many representatives coming to the event have had years of experience in HR management, including Ms. Truong Que Huong, the Furama Resort HR Manager, Mr. Hoang Trung Dung, the Hanoi Maritime Bank HR Manager, Mr. Tran Gia Thong, Manager of AAC - EURASIA International and Ms. Vu Thi Bich Ngoc, Hanoi Luvina Development Center Vice-Manager. They talked with students about their experiences with job-hunters and about how to take chances doing so.

A comprehensive collaboration agreement was also signed between DTU and Maritime Bank, who both resolved to support each other to meet local requirements.

Accordingly, DTU will assist students with high academic achievement by organizing seminars and job fairs in conjunction with the bank. The Maritime Bank will be responsible for providing their plans and requirements for the recruitment process. DTU will then get feedback from Maritime bank and adjust its curriculum accordingly. So students will then have more opportunity to gain scholarships or internships before graduation.

Mr. Hoang Trung Dung, the Hanoi Maritime Bank HR Manager said: *"Talented students are all welcomed at our bank and we are here today looking for high-qualified staff. Currently, we have 6,000 employees which is estimated to increase to 11,000 by the year 2014. I hope to see many DTU students submitting their CVs to us"*.

Many other job opportunities were available at the Job Fair. The event made it easier for graduates to find jobs that matched their majors and special skills. Their DTU motto is "We do everything to maintain students' rights and career prospects".
