

The 2016 ASEAN Student Conference

On August 12th, DTU and the Passage to ASEAN (P2A) program jointly hosted the 2016 ASEAN-In-One Conference. Danang government representatives, delegates of the P2A University and college members, DTU students and lecturers attended.

The conference included a forum where students exchanged information in study and research and worked together to help build a stronger, more peaceful and prosperous ASEAN.

Mr. Jerome Schedler, Chief Executive of the P2A Permanent Council, said: *“The participation of so many lecturers and students from different ASEAN nations in this conference exhibits the confident, mutual and long-lasting relationships which are being forged between the P2A member institutions. The support of students participating in today’s event will be a key factor in developing unified voices and*

actions, to create a durable cadre of students, working together to build a better ASEAN community”.
