

## The DTU 2015 Graduation ceremony

On June 5th, DTU held a formal graduation ceremony for DTU Bachelor's and Master's graduates at the Trung Vuong Theatre and also recognized major awards won by DTU in both national and international competitions.

The 2015 graduation ceremony acknowledged the brilliant academic achievements of students at all levels. 39 graduate course; 1,012 undergraduate; 202 associate Bachelor's students and 255 vocational associate's students received degrees, 109 of whom were graded excellent.

*Awarding merit certificates to outstanding graduates*

In the academic year 2014- 2015, DTU students won many valuable prizes in both national and international contests, such as the Asia-Pacific Regional IDEERS Champions Cup in the 2014 IDEERS

convention held at the National Centre for Research on Earthquake Engineering in Taiwan, the second-place prize in the National Loa Thanh Tournament for Civil Engineers and Architects; and others.

Local businesses recognized DTU students' achievements and awarded 27 scholarships worth 32 million dong to the best students.
