At the ceremony, Mr. Duong Truong Quoc Khanh, Leader of the Educational Affairs Group announced the admission decision for 104 students comprising 51 in Business Administration, 36 in IT, 25 in Accounting, 10 in Civil Engineering and 12 in Finance and Banking.

Prof. Le Duc Toan said: *“E-Learning is an important part of the Vietnamese education system and is invested in more and more to meet the students’ need to learn at any time and any place. Although you do not have much time to learn in class, E- Learning will help you develop yourself-study, learn on your own and enhance your soft skills. Consequently, I hope that you will study hard to achieve the best marks in the course.”*
